ACCORDING TO DUN & CO'S REPORT.

Weekly Statements of Clearing House Returns from the Leading Money Centers of the Country, as Reported by Bradstreet's.

Weekly Statements from the Leading Clearing Houses.

New York, March 26.—The following table prepared by Bradstreet's gives the clearing-house returns for the week ended March 24, 1892, and the percentage of increase or decrease, as compared with the corresponding week of last year.

Our Supreme Court Eulogized.

LONDON, March 26.—Sir John Lubbock, presiding yesterday at the annual meeting of the corporation of foreign bondholders, took occasion to eulogize the justice and impartiality of the United States supreme court in the case of the Virginia bondholders.

Will Return to Berlin.

BERLIN, March 26.—The kaiser has suddenly concluded to return to Berlin today. He is said to have come to this conclusion in order to silence the reports concerning his health, both mental and physical.

Importation of Cattle Prohibited.

LONDON, March 26.—The importation of cattle from Spain, Portugal, Sweden and Norway has been prohibited by the government, owing to the prevalence of the foot-and-mouth disease.

Storers Sentenced.

BERLIN, March 26.—Three more of the ring-leaders of the recent riots were sentenced yesterday, one to four years, another to three years and one to two years at hard labor.

An Overdue Mail Steamer.

LONDON, March 26.—Much anxiety is felt here over the failure of the royal mail steamer Don to arrive at Plymouth from the Barbadoes. The ship was due yesterday.

Starling Disclosures.

Sheriff Dunn Said to Have Been Murdered by One of His Own Deputies.

GARDEN CITY, Kan., March 26.—It is now known that Sheriff Dunn, of Sedgewick county, was not killed by the gang that threatened to kill Judge Botkin, but by some of his own deputies, who did the deed in order to secure some money and valuable notes he had in his possession.

The authority for this information is W. B. Orner of Sedgewick county, who was accused of being the chief conspirator in the plot to assassinate Judge Botkin. His claims to have gleaned this discovery from a woman who was an intimate friend of Sheriff Dunn, and who was well acquainted with his finances.

The impression in the case is so decided in the county that it is feared it will be impossible to secure a jury to try the prisoners. The men arrested at the instance of Judge Botkin have all been discharged because of the law which does not allow the state to take a change of venue.

Justice in Georgia.

A Lynch Convicted of Murder—One of the Witnesses Against Him Assassinated.

ATLANTA, Ga., March 26.—For the first time in the history of Georgia the leader of a lynching party has been convicted of murder. James White, who was tried at Camilla charged with lynching an old man named Lapham Nix last fall, and yesterday the jury, after forty-five minutes' deliberation, brought in a verdict of guilty of murder. The other members of the lynching party have been apprehended and will be tried yesterday. Wm Davis, one of the witnesses in the case for the state, was fatally shot near his home by unknown parties.

In the Large Railroad Deal.

CHICAGO, March 26.—It is now certain that the Baltimore & Ohio and the Lackawanna railroads are in the large railroad deal which is being consummated at Sioux City. One hundred miles of track would suffice to connect the two roads and give them a north and south line from Chicago to the Pacific, and an entrance into the Baltimore & Ohio's depot at Chicago.

Gas coal rates from Pittsburgh to the Mississippi points will at once be restored on \$2.50 basis.

Will Reduce Wages 10 Per Cent.

YOUNGSTOWN, March 26.—Notices will be posted by the blast furnace owners of the Mahoning and Shenango valleys next week that after April 10 there will be a reduction of 10 per cent. in the wages of all workmen. This action is taken, the operators claim, by reason of the recent combination of the iron trade. If the men refuse to accept the reduction the furnaces will be closed up.

The Progress and Condition of the Coal Miners.

WASHINGTON, March 26.—Mr. Hatch, of Iowa, introduced a bill yesterday, by request, creating a commission to inquire into and report upon the material, industrial and mental progress made by the colored people of the United States since 1865 and making an appropriation sufficient for the purpose.

Another Absconding Victim of the Turf.

WILLIAMSBURG, Pa., March 26.—Isaiah Martin, slate operator of Pen Argyl, this county, has disappeared leaving behind him unpaid bills and notes estimated at \$12,000. He was last heard from at Allentown. The town, and it is understood that he will not return. Rumors have it that he was frequent at the Guttenberg tracks and a heavy bettor.

The Bill to Pay Members of Parliament Defeated.

LONDON, March 26.—The house of commons discussed last evening a bill providing for the payment of salaries to members. Mr. Balfour objected to the bill on the ground that the salaries must be raised by taxation and that when the voters once realized that they were paying the expense of the scheme would oppose it. The present English system was better, he said, than the American system. The bill was lost by a vote of 227 to 182.

Refusal to Cancel the Prohibition.

ST. PETERSBURG, March 26.—The Russian government has refused to cancel the prohibition of the export of oats from Archangel, although the governor of that province declared that the stock of oats exceeds the quantity required for home consumption.

ENDMBITTERING THE EMPRESS' LIFE

Much Hoped For from His Proposed Voyage to Iceland—Arrangements Making for His Entertainment at Points Visited.

BERLIN, March 26.—After a few days in the city the emperor plans to visit the palace of Potemkin.

The emperor is delighted and has manifested a desire to leave Berlin as soon as possible in order that she may be at liberty to ride and walk daily unobserved.

The moodiness of the empress has increased so alarmingly within the last few weeks that at the last two court balls her austerity and sadness were subject of general comment.

The excessive irritability of the emperor in consequence of the recurring pain in his ear and neck is not the cause of the trouble.

A few days ago the empress was seen in the court ball shortly afterward she spoke of the palace in Unter den Linden as "her prison."

Dr. Guesfeldt hopes much for the emperor's health from his voyage to Iceland and through Lient Halzer who will accompany the imperial party, special arrangements for the open air entertainment of the emperor have been made.

At several points on the Norwegian coast he has already arranged for the emperor to go ashore for one or two hours, from which the latter will take short hunting excursions.

Great hunts have been arranged and at Skjernarmen at the whaling station have been engaged to go on a short whaling expedition with the emperor's yacht to show him how whales are killed.

Dr. Guesfeldt believes that by prolonging the voyage and giving the emperor abundant exercise throughout it, his general health can be improved as is shown by the progress of the disease of his children.

The emperor and children will reappear in Potsdam.

SALISBURY CRITICISED.

He Has Been Justified and Trifling, and the United States Should Assert Its Rights.

WASHINGTON, March 26.—Much has been said about Lord Salisbury's notification to the president that he would not renew the existing modus vivendi, respecting sealing in "Bohring sea," said prominent official to-day. It has been quoted as if the fact precluded President Harrison from taking the stand he has, and that the British government must, therefore, accept that statement. June 6, last, when the president somehow is guilty of a serious offense in insisting upon a renewal at this time. Suppose Lord Salisbury is to allow the modus vivendi was removed. He pointed out that the modus vivendi was agreed to by the assertions of the British government? If so better let his lordship settle the whole question his own way and have done with it. But the situation is different from that it was not to be expected that he would be compelled to agree upon arbitration, and signed a modus vivendi to continue until the time when it was supposed the arbitration would have been finished. Lord Salisbury proceeded to defeat the immediate conclusion of the treaty by attacking one or another of its clauses and in this way postponed for months the signing of a document to which he had substantially agreed.

WASHINGTON, March 26.—The Senate of the United States again adjourned to the following session, but did not take any action. But from the character of the discussion and the disposition shown by the senators it is evident that they are not yet ready to take any action.

It is evident that the Senate has about reached its conclusion and that a vote will be taken early next week with the ratification of the treaty as a result of the arbitration treaty, but did not take any action.

THE NEW ELECTION LAW.

NIGHT SCHOOL AT THE COURT HOUSE—LARGE ATTENDANCE—TOOK A VOTE.

THE SCHOOL OF INSTRUCTION FOR ELECTION JUDGES AND VOTERS, HELD AT THE COURTHOUSE LAST NIGHT BY DIRECTION OF SUPERVISOR MAY, WAS QUITE A SUCCESS IN POINT OF ATTENDANCE AND IN THE WAY OF DISSEMINATING INFORMATION AS TO THE PROPER MANNER OF CASTING BALLOTS UNDER THE AUSTRALIAN ELECTION LAW, IN ORDER TO AVOID POSSIBLE MISTAKES ON ELECTION DAY. NEARLY EVERY ELECTION JUDGE IN DECATOR TOWNSHIP WAS PRESENT; ALSO MANY FROM THE COUNTRY. THERE WERE NOT ENOUGH CHAIRS TO ACCOMMODATE THE CROWD. HON. W. F. CALHOUN WAS SELECTED CHAIRMAN OF THE MEETING, AND AFTER HE HAD STATED THE OBJECT OF THE GATHERING, IN A BRIEF ADDRESS, HE GAVE HIS INTERPRETATION OF THE LAW AS IT APPLIES MORE ESPECIALLY TO THE PROPER MANNER OF MARKING THE BALLOT, IN THE CIRCLE AND IN THE SQUARES, THE MEANING OF THE MARKS, HOW A STRAIGHT TICKET CAN BE VOTED AND HOW A MIXED TICKET MAY BE VOTED WITHOUT HAVING IT CAST AS IMPERFECT. MR. CALHOUN STOOD READY TO ANSWER ALL INQUIRIES PROPOSED, AND THEY CAME AT HIM FROM ALL PARTS OF THE HOUSE. ALL QUESTIONS WERE ANSWERED PROMPTLY AND CLEARLY. COL. J. M. CLOKEY AND ATTORNEY A. H. MILES WERE ALSO ON THE COMMITTEE OF INSTRUCTORS, AND THEY WERE PRESENT WITH COPIES OF THE LAW, TO WHICH FREQUENT REFERENCES WERE MADE. ON MOTION OF MR. CALHOUN, THE BILL TO WHICH THE DEMOCRATS SET UP WAS REVERSED BY WHICH THESE FOREIGN RELATIVES WERE DEBARRED FROM INHERITANCE. THE DEMOCRAT QUESTIONED THE CONSTITUTIONALITY OF THE ACT.

JUDGE TIPTON, AT BLOOMINGTON, HAS MADE AN IMPORTANT DECISION IN OVERRULING THE DEMOCRAT IN THE SUIT OF ELIAS TULLEY VS. JOHN KENNEDY AND OTHERS. MR. MARK TULLEY WAS A NATIVE OF IRELAND, ALTHOUGH AT THE TIME OF HIS DEATH, AUGUST 16, 1890, HE WAS A NATURALIZED CITIZEN OF THE UNITED STATES AND A RESIDENT OF MCLEAN COUNTY. HE LEFT A WIFE, BUT NO CHILDREN OR GRANDCHILDREN. HIS NEXT OF KIN WERE AND ARE SUBJECTS OF GREAT BRITAIN. THE BILL TO WHICH THE DEMOCRATS SET UP WAS REVERSED BY WHICH THESE FOREIGN RELATIVES WERE DEBARRED FROM INHERITANCE. THE DEMOCRAT QUESTIONED THE CONSTITUTIONALITY OF THE ACT.

JUDGE TIPTON QUOTED NUMEROUS DECISIONS IN CASES OF SOMEWHAT SIMILAR IMPORT, IN WHICH FOREIGN RELATIVES HAD BEEN DEBARRED FROM INHERITANCE. IN CLOSING, HE SAID: "I AM AWARE THAT THE POLICY OF MOST OF THE EUROPEAN POWERS HAS BEEN TO PLACE CITIZENS AND FOREIGNERS ON AN EQUAL BASIS. I ALSO KNOW THAT HERETOFORE IT HAS BEEN THE POLICY OF THE UNITED STATES TO TREAT FOREIGNERS IN LIKE MANNER. AND YET THE STATE MAINTAINS AN UNDoubted RIGHT TO CHANGE ITS POLICY IN THIS MANNER. THE DEMOCRAT IS OVERRULED."

JUDGE TIPTON ACTED IN THE MATTER AS A PRIVATE CITIZEN, AND NOT IN HIS JUDICIAL CAPACITY.
